Workshop 2 – Exercise Assessment Form

Student: _____ Date: _____

Exercise: _____

Assessment criteria:

- ☐ Cues are given simply, clearly, just once, and in timely fashion
- ☐ Student and dog are relaxed and confident
- ☐ Student concentrates on learner, not self
- ☐ Notices emotional signals in their dog and acts to reduce stress
- ☐ Understands and uses behavior chains and back chaining
- ☐ Reinforces desirable behavior when not formally training
- ☐ Is patient with learners and calm about errors
- ☐ Shows flexibility when problems arise
- ☐ Shows creativity or humor
- ☐ Student reinforces animals' and peoples' behavior rather than correcting or criticizing.
